METRIC CONVERSION TABLE

The Metric System was established in 1790 by the French using the Greek word "metron" which means "measure". Like the

U.S. currency, metric is based upon the Decimal System.

All derived units are multiples of "ten".

When you know:	You can find:	If you multiply by:
Inches	Millimeters	25.40
Inches	Centimeters	2.54
Feet	Centimeters	30.48
Feet	Meters	0.3048
Yards	Meters	0.9144
Square Feet	Square centimeters	929.03
Millimeters	Inches	0.03937
Centimeters	Inches	0.3937
Meter	Inches	39.37
Quart	Liter	0.946
Gallon	Liter	3.785
Pounds	Kilograms	0.45

Federal ID # 46-5171221

AMERICAN FLOOR PRODUCTS COMPANY POLICY

GUARANTEE

All products listed are guaranteed against manufacturing and material defects provided our recommended installation and maintenance instructions are followed. Any defective materials will be replaced free provided a claim of defect is made *IN WRITING WITHIN SIX MONTHS AFTER SHIPMENT* and if our examination shows that the product has failed under the terms of the guarantee. *WE WILL NOT BE RESPONSIBLE FOR THE INSTALLATION COST INVOLVED IN SUCH REPAIR OR REPLACEMENT.* We can not guarantee matching of thickness, shade or marbleization. We make no other guarantee of these products, expressed or implied. No representative has the authority to make any promise, representation or agreement, except as stated herein.

ACCEPTANCE OF ORDERS

All orders are to be sent to American Floor Products Co., Inc. in Gaithersburg, Maryland, where they will be subject to acceptance by the company. Orders can be submitted by mail, fax, email and telephone. Telephone orders must be confirmed in writing. The Company will accept NO RESPONSIBILITY for any errors made via the telephone.

We reserve the right to reject any order and this price list is not an offer to sell.

TERMS

Net 30 days, subject to credit approval. As a convenience to our customers, we will ship C.O.D. when time does not permit credit clearance or when shipment cannot wait for payments to be received in the credit department in Gaithersburg. All payments are to be made directly to American Floor Products Co., Inc. Gaithersburg, MD. *FINANCE CHARGES* of 1.5% per month (18% per annum) will be added to all accounts over 30 days. *NO EXCEPTION TO THIS POLICY! NO "HOLDBACK" PERMITTED.*

Under Commercial Law #3-512, Article 27, Section 140-144 of the Criminal Code, we are permitted to collect **\$35.00** for bad checks. If unpaid after 30 days notice, you may be liable for three (3) times the amount of the check in District Court.

We accept MASTERCARD, VISA and AMERICAN EXPRESS.

All orders over **\$1,000.00** require a one third (1/3) deposit with approved credit, or a Certified Bank letter of credit.

TELEPHONE CALLS

Outside of the Metropolitan Washington, D.C. area, call our toll-free line: (800) 342-0424.

RESPONSIBILITY FOR CHANGES

Upon receipt, all orders are processed immediately exactly as they are received. The cost for any changes made in the original order, after it has been processed, will be charged to the customer.

CANCELLATION OF ORDERS

Orders may be canceled by telephone any time prior to processing but cancellations must be confirmed in writing. We will advise you of current status. Orders canceled after filled and/or shipped are subject to a cancellation charge of a minimum of 50% plus freight charges, if applicable. See "Merchandise Returns" below.

MERCHANDISE RETURNS

Standard sized items may be returned with the **minimum dollar amount of \$400.00**. The goods must be packaged so that no damage occurs on route back to the factory.

Permission in writing, however, must first be obtained from the Sales Department with a Returned Goods Authorization (RGA) Number being assigned. Whenever authorization is granted, there will be a returned goods charge of 50% plus applicable freight charges. *CUSTOM MADE, CUT LENGTH, PRE-DRILLED OR PEEL-N-STICK GOODS ARE NON-RETURNABLE.*

AFCO-USA (301) 987-0490 (800) 342-0424

LIABILITY CLAUSE

Before buying, the user shall determine the suitability of the product for its intended use and the user assumes all risk and liability whatsoever in that regard. The sellers and manufacturers only obligation shall be to replace such quantity of product proven to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage directly or consequently arising out of the use of or the inability to use the product correctly. The foregoing may not be altered except by an agreement signed by the officers and lawyers of the seller and manufacturer.

SHIPPING CHARGES

All orders are F.O.B. shipping point. Shipments will be sent pre-paid with transportation charges added to the customer's invoice. If requested, shipments can be sent COLLECT.

We will not be responsible for inside delivery, re-delivery, "notification of arrival" or storage charges which would arise when delivery is refused.

Proof of delivery charge: **\$8.00**.

UPS HAZ-MAT CHARGE adds **\$30.00 net per carton (Ground shipments only)**.

PREPAID CHARGES: When shipments must be prepaid, there will be a handling charge added to the freight charges on the invoice.

AIR FREIGHT: Shipments by air will only be sent Collect for the freight charges. Under no circumstances will American Floor Products *PREPAY AND ADD* air shipments.

We can not ship HAZ-MAT by Air.

DAMAGE OR LOSS OF SHIPMENT

Title passes to consignee upon receipt of the shipment by the Transportation Company. When loss or damage is not apparent until the shipment is unpacked, a claim for concealed damage should be made by the recipient with the delivery carrier. When damage is discovered, a written request to the carrier should be made for inspection, with a copy sent to American Floor Products. *KEEP ORIGINAL CARTONS AND PACKAGING.* This request for inspection must be made within 15 days of delivery. The carrier will furnish you with an inspection report and the necessary forms for filing a concealed damage or loss claim, since such damage or loss is the sole responsibility of the carrier. All shipments leave the shipping point in first class condition.

ARCHITECTURAL DRAWINGS

Should a customer be unable to prepare drawings for architectural or client approval, we will be able to provide this service at a minimum fee of **\$20.00**, depending on the complexity of the service rendered. No charge for this service on orders of **\$1,000.00** net or more.

PRICE QUOTATIONS

Always request prices in writing. When time will not permit, verbal quotes will be given over the phone. This does not constitute a legal contract to sell and is subject to revision. To be honored always request confirmation in writing.

PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE

We reserve the right to change prices as necessary.

ALL PRODUCT DIMENSIONS ARE SUBJECT TO MANUFACTURING LIMITATIONS.

MINIMUM ORDER

We have no minimum quantity requirement on standard products. If however, your order totals less than **\$160.00** net, a **service charge of \$10.00 will be added.**

FAX: (301) 987-0422 EMAIL: sales@afco-usa.com

MAT CARE

RECESS INSTALLATION INSTRUCTIONS

When installing a mat in a floor recess, first make sure that all foreign material, splattered concrete chips, putty, etc., are scraped out of the recess, especially the corners and the edges. Remember that any raised "lump" in the floor recess will be felt when walking on the mat and could result in premature wear in the mat at that point.

Sweep out the recess and damp mop so that there are no dirt particles left in the well.

All efforts are made to ensure that mats are cut to fit recess frames supplied by American Floor Products Co., Inc. If there has been alterations to the size of the frames before concrete has been poured, we cannot be responsible for non-fit unless we have been notified well in advance of the manufacture of the mat.

Pre-cut mats to size can be dropped into place. If there appears to be a hump or bowed effect in the matting, usually it can be worked out by counter-rolling the mat in the affected area. In cold climates it may be necessary to add heat to "iron" out the curvature, but be careful not to burn or scorch the mat.

Care must be made to ensure that the mats are installed with the correct surface up and that units with names/numbers are facing the desired direction.

TO INSTALL LINK TYPE MATS

Place front and rear edges by pulling up a hump in the center of the mat. Then gently step on the mat until the hump disappears. This causes the links to bunch up, as they should.

A mat is a valuable investment. Treat it with care and it will serve you well and give you many years of good use. Keep it clean and it will enhance the beauty and prestige of your entrance. It can save you thousands of dollars in additional building maintenance and floor wear.

LINK MAT CARE

DO'S:

1. Vacuum surface daily.
2. Roll up and vacuum underneath at least once a week.
3. Hose or wet mat and brush with a stiff brush to remove heavy soil. Use mild detergent or plain luke-warm water.
4. Stand mat on end of rolls to drain dries.
5. Storing: If a mat must be stored, clean it first and then turn it upside down and roll on a core.

LAY FLAT - NEVER ON END!

CARE OF RUBBER ENTRANCE MATS

Follow the same steps as for cleaning Link Mats. In addition, if your mat is perforated, turn the mat back half way to knock the dirt out of the holes with a few thumps of a broom. Sometimes water from a hose in a fine stream will produce the same results.

To remove chewing gum, freeze with ice, and then peel off. **NEVER POUR LIQUID CHEMICALS ON RUBBER MATS.** Remember heavy machinery or vehicles should not be moved over mats. Either remove the mat or cover with heavy plywood.

CARPET MAT CARE TIPS

A dirty mat will only add to your building maintenance problems, Dirty carpet mats can appear to go "bald" but in reality they are caked with ground-in dirt.

(1) VACUUM OR BROOM DAILY

- This is important especially in heavy traffic areas.
- Avoid the use of oil or solutions on the carpet surface.

These "dust control" methods tend to make the pile darken and lay down, thus making them less effective.

(2) SPOT REMOVAL

When a spill occurs, absorb as much liquid as possible with a clean absorbent material. To remove oil or grease stains use dry cleaning fluid in small amounts and blot until the stain disappears. Many spills, such as coffee or soda, can be removed with rug shampoo.

(3) WET SHAMPOOING

- Use any neutral synthetic detergent with Luke-warm water. Hand brush method will yield the best results. Use a sponge or cloth to remove suds.
- If carpet is matted with excessive soil, use detergent as described. Rinse with cold water and place mat in an inclined position to drain dry.
- Electric scrubbers can damage your mat - especially the edges.

(4) STORAGE

Roll carpet into a compact roll with the pile facing out.

LINK MAT CARE

DON'TS:

1. Don't pull on mat by the corners to change position or to clean.
2. Don't wash mat with solvents or caustic solutions.
3. NEVER FOLD A LINK MAT.
4. Don't lift a rolled mat without supporting the center of the roll.
5. Don't permit heavy machinery or vehicles to move over the mat.

FRAMES - GRATING & GRID MATS

SOLID BRONZE MAT FRAME (MF-152)

(MF-152)

Catalog pg. 32

Weight: 1.33 lbs./lin. ft.
